Jobs Located in one of the following states (final location not guaranteed.)

LOCATION LOCATION LOCATION LOCATION LOCATION

TEXAS - is the second-largest U.S. state by both area and population and is located in the South Central United States. Texas or the Lone Star state is known for their barbecue, chili, and Tex-Mex as far as food goes. It is also known for its oil drilling and cowboys. For more information go to <http://traveltex.com/>

COLORADO - From swaying grasslands and red-cliff mesas to glorious Rocky Mountain alpine meadows filled with wildflowers, Colorado creates travel memories that last a lifetime. An annual average of 300 sunshine-filled days gives us our signature blue skies and makes Colorado a great getaway that delivers exhilarating adventure or well-deserved relaxation – but always amid spectacular natural beauty. Check out the state at <http://www.colorado.com/>

LOUISIANA - Known for their world famous "Mardi Gras" Louisiana is all about music and food. Aside from the Jazz festivals and gabling riverboats, The State of Louisiana is often referred to as the "Sportsman's Paradise". With an abundance of natural parks, preserves, swamp land, beaches, lakes, rivers and forests, you won't have to look far for some great outdoor fun. Read more at <http://www.louisianatravel.com/>

UTAH - Welcome to Utah, paradise for outdoor enthusiasts! From National Parks to ski resorts and golf courses, beautiful Park City to historic Temple Square, sunny St George to bustling Salt Lake City to tranquil Lake Powell, Utah will surprise you with its variety.
